*Our English school is based in scenic Kilkenny, once the medieval capital of Ireland.*

mackdonald language academy is an ACELS accredited, independent language school in the heart of Ireland. Our school is based in Kilkenny, the South-East of Ireland. Here, we offer academic and personal English language courses to adults (18+) from all over the world.

The variety of activities and afternoon & evening programmes guarantee that the learning experience continues outside the classroom. Students learn English in a relaxed and fun-loving environment.

Students can stay with host families in Kilkenny, in residential accommodation close to the school or with local B&Bs throughout Kilkenny.

Our courses operate on a module basis: in addition to English tuition, students can choose from the following modules: accommodation, airport transfers and a variety of activities, trips and excursions.
